Subject: My Wallet.

Last year I got one of your wallets for Christmas . I still have it and just wanted to let you know that it has held up better then most leather wallets I have owned. It has been threw the washer just about evry payday, left on my dash board in the Texas sun, gone with me in to the waters of the lovely Gulf of Mexico (accidentally) been stolen (I got it back !) and finely chewed by my killer mean plot hounds. It looks rough but is still serviceable. I got another one this Christmas and was thinking that you might want the old one to see just how durable your products are. I am a DUCTI die hard customer for life. Good stuff guy's and let me know if you want this old thing.
